Town of Deerfield

## STATE OF NEW HAMPSHIRE

## TOWN WARRANT

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs: (L.S.)

You are hereby notified to meet at the Town Hall in said Deerfield on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To choose a delegate for the Constitutional Convention.

Article 4. To see if the Town will raise and appropriate the sum of \$1,122.10 for Town Road Aid, the State to contribute \$7,430.65.

Article 5. To see if the Town will vote to instruct the selectmen to hire money in anticipation of taxes.

Article 6. To see if the Town will vote to authorize the Selectmen to sell property acquired through Tax Collector's Deeds.

Article 7. To see if the Town will vote to do away with the office of Overseer of Public Welfare, the Board of Selectmen to act in this capacity.

Article 8. To see if the Town will vote to direct the Trustees of Trust Funds to liquidate all stocks and place all monies in Savings Banks or Savings and Loan Banks in separate accounts for each individual fund for which they are responsible.

Article 9. To see if the town will vote to raise and appropriate the sum of \$200.00 for control of White Pine Blister Rust in Deerfield.

Article 10. To see if the Town will vote to accept the sum of \$1,000.00 from the estate of Fred D. Cross. This sum known as the Augusta F. Cross and Susan E. Sanborn fund to be held in Trust; however the interest only to be used for the Town Library.

Article 11. To see if the Town will vote to accept approximately one (1) acre of land in back and adjacent to the Town Hall donated by Mr. John Petersen for Town use.

Article 12. To see if the Town will raise and appropriate \$100.00 for Road Signs.

Article 13. To vote on the Question "Shall Sweepstake Tickets be sold in this Town?"

Article 14. To see what action this town will take to raise and appropriate money in anticipation of the Two Hundredth Anniversary of the Incorporation of the Town of Deerfield.

Article 15. To see if the Town will vote to amend the Building Regulations as adopted in Town Meeting on March 4, 1961 by adding the following:

1a. Each dwelling unit, trailer, or mobile home to be used by a single family shall be a minimum of fifty (50) feet from the nearest building and nearest right of way.

9. Gravel Areas.

All areas from which gravel is taken in the future shall be returned to sightly areas after the operation is completed.

10. Wells

All shallow wells shall be at least 75 feet from the nearest cesspool, dry well, privy, dump or road.

11. Heating Units

Building permits will be required for the installation or change in heating appliances, stoves, heaters, etc. in any building.

12. Application

Each application for a building permit shall be accompanied by a fee in accordance with the following schedule:

BUILDING AND REPAIR COST

		FEE
\$	1.00 to \$1,000.00	\$1.00 to include one inspection
	1,000.00 to 5,000.00	3.00 to include two inspections
	5,000.00 and over	5.00 to include three inspections

Article 16. To see what action the Town will take to establish rental for the use of the Town Hall, as recommended by the Rehabilitation Committee.

Article 17. (At the Town Meeting, March 10, 1925, the following action was taken:- "On seconded motion of Wilbur H. White it was voted to give the Relief Corps and the Sons of Veterans the exclusive use of the Hall in the Soldier's Memorial Library Building."

To see if the Town will amend the action taken at the March 10, 1925 Town Meeting, by deleting the word "exclusive".

Article 18. To see if the Town will vote to establish or authorize the Selectmen to establish license or permit fees to operate Motion Pictures, Dance Halls or any other business of an entertainment nature operated by a profit-making organization.

Article 19. To transact any other business that may legally come before said meeting.

Polls to remain open until 7:00 P.M. unless otherwise voted by the meeting.

Given under our hands and seal this twenty fourth day of February, in the year of our Lord nineteen hundred and sixty-four.

SELECTMEN OF DEERFIELD

SPECIAL TOWN MEETING, JULY 31, 1963

At the appointed hour the meeting was called to order by the Moderator, Preston B. Wares.

Warrant read.

Chairman of the Board of Selectmen, Roland C. Batchelder explained the article in the warrant.

Motion of Col. Roland C. Batchelder, seconded by William E. Sanborn, that the Town raise and appropriate the sum of \$5,500.00 by issuance of its serial notes or bonds for the completion of water supply for the Town Hall and other repairs, to include painting of the Town Hall as authorized at the Annual Town Meeting in 1963, and further to authorize the Selectmen to determine the interest rate to be borne by said notes or bonds; the denomination and form of said notes or bonds, the time and place of payment of principal and interest and terms of sale; and further to authorize the Selectmen to sign and affix the seal of the Town to said notes or bonds and the Treasurer to countersign same.

William E. Sanborn explained the organization of the Town Hall committee in answer to a question from the floor.

Col. Roland C. Batchelder explained in detail about the bids and also about the bills paid and those obligated.

Perley Pendleton moved to adjourn until one month from tonight to give an opportunity to explain this more fully to the people of the community. Motion was not seconded.

Further discussion of the article followed. Questions were answered by Roland C. Batchelder. William R. Cray spoke about the bids.

Perley Pendleton moved a second time that this meeting be adjourned until four weeks from tonight. Motion not seconded.

Ballot vote taken on motion of Roland C. Batchelder. There were 56 ayes and 21 nays. It was a vote in the affirmative and the motion carried.

On motion of Col. Roland C. Batchelder, seconded by Ross E. Watts, it was voted that the meeting stand adjourned.

A true record,

Attest:

Ruth S. Sanborn  
Town Clerk

## SELECTMENS' REPORT

Your Selectmen have had an active year. Due to the large number of real estate transactions (99 from Sept. 1 to Dec. 31, 1963 as an illustration) the problem of assessments has received deep consideration. Your Selectmen attended four sessions on taxation at which sessions the State Tax Commission presented its views and/or had presented the advice of Professional assessors. In addition, your Selectmen attended five additional meetings involving the Selectmen's Association comprised of the Selectmen from twelve additional towns. On the basis of these meetings, over 600 pieces of real estate were reassessed. The basis of these reassessments was as follows: The State Tax Commission has ruled that your Selectmen's estimates are 73% of the State Tax Commissions idea of the true value. Therefore, if a piece of property was sold, the Selectmen started their consideration from a 73% of the sale price. Since the Selectmen then must reconsider similar property in Town for reassessment, such properties were visited. Each Selectman then placed his individual valuation on the property under consideration. The figure used was what each Selectman thought was a true and fair value sale price of property concerned. These three figures were averaged and after discussion an assessed value was established.

A Budget for a town is considered to be a record of all monies to be received and a plan for spending these monies. Therefore this year, the Budget includes all monies received including temporary loans and their repayment. This, it is believed, gives a truer picture of the Town's money activity, and as you will note in the Budget, shows close to \$200,000.00 being handled by the Selectmen. This is a large amount for a small town and is not to be considered lightly.

The Town Hall has been rehabilitated(except the stage) and is now in Top condition. It is hoped that its annual upkeep will be maintained and that it will never, in the future, be necessary to go to such a large expense to bring it back into shape. It is your Selectmen's belief that if this maintenance is kept current, an appreciable amount of money will be saved in the long run.

A rebate on the State Construction of Mountain View Road in the amount of \$2,449.86 was received from the State. It seemed reasonable to apply this to outstanding Bonds on the road, therefore the \$2,500.00 Bond due in 1970 was paid off - this will result in the saving of 4½% interest on \$2,500.00 for 6 years which amounts to more than \$600.00.

The increased requirements of the Selectmen's work present many problems. We need a tax map. It is the Selectmen's belief that such a map would "find" land in Deerfield that has not been assessed for years and perhaps pay for itself. The physical job of preparing taxes has become lengthy and difficult. Each property owner's name must be written a minimum of ten times in ten separate places. Over 900 Property descriptions should be recorded at least three times. Inventories, Town Reports, Bills, etc. must be addressed. The day is not far distant when it will be necessary to hire additional clerical help or install mechanized equipment; if it is desired that a decent job be done. The installation of mechanical equipment will reduce possible errors to a vanishing point. It is believed that a gradual start can be made in this direction at not too large a cost. Once the record keeping problem reaches the desired perfection, then perhaps work on a tax map can be initiated if the town so desires.

Your Selectmen would like to make one plea. Will you please:

1..Give us the best description of your property that you can on your Inventory Blank to include acreage to the best of your ability. A description of the buildings will help.

2..When you buy or sell, give us the complete address of the other party as well as a description of the amount of property bought or sold. This is particularly important when only a portion of the property is bought or sold.

Roland C. Batchelder  
Ross E. Watts  
Robert B. Sanborn

SELECTMEN, DEERFIELD, N.H.

We have examined the books of the Selectmen and find them to be correct and in good order.

## REPORT OF THE TOWN HALL IMPROVEMENT COMMITTEE

In accordance with action taken at the 1963 Annual Town Meeting, the appointed committee met first on March 17, 1963 for preliminary planning for the renovation of the Town Hall. Many suggestions were placed on record to be studied for incorporation in an overall plan of action. It was agreed to start drilling a well. A list of projects was set up as follows: 1-Well; 2-Plumbing; 3-Heating; 4-Carpentry; 5-Electrical; 6-Masonry; 7-Ceilings; 8-Painting.

Bids were advertised for and received for all work listed above with the exception of the masonry work which was combined with the carpentry. All bids were duly voted on by the committee at regular meetings, and the majority ruled. Bids for the carpentry work were felt to be completely out of line for the prescribed work and all were rejected by the committee. After much discussion it was voted to procure local labor on an hourly basis to accomplish same.

After completion of the well, the committee found that because of the extreme depth of the well, the funds allotted would be inadequate. Many of the townspeople had made known to the committee their hopes that the Town Hall would be painted both inside and out. With this in mind the committee requested the Selectmen to hold a Special Town Meeting to secure additional funds. The meeting was called and funds approved.

During the studies held by the committee, it was found that the plaster used on the walls and ceilings of the building was of an old type using a hair binder. It was pointed out to the committee that to repair and cover same with paint which would be guaranteed to last, would be extremely expensive. Other investigation showed that the height of the rooms were a deterrent to economical heating. The committee decided to install new ceilings suspended from overhead. These ceilings are asbestos panels laid into metal framework. The ceiling in the lower hall has been lowered about 30 inches, and that in the upper hall about 18 inches.

The walls are covered with  $\frac{1}{4}$ " thick plywood panels cemented in place. The exposed side is prefinished and requires only a damp cloth to clean. The ceilings and walls are much tighter than before and provide some amount of insulation.

The foundation under the front of the building has been repaired, and pointed up to make it tight, and an insulated partition has been installed across the crawl space under the building and a heating duct installed in the forward area to protect the water pipes.

The building has been painted two coats on both the inside and out. The upper hall floor has been sanded and refinished. All the old blinds were repaired, painted and installed. The committee discovered that eighteen blinds were missing.

Special thanks are extended to Mr. George Innes who made the two bulletin boards as well as the sign over the front door, and to Mr. Gardner of Northwood who painted the building, and who donated gold leaf for lettering the sign.

William E. Sanborn  
Chairman

TOWN REPORTS

Town of Deerfield

## CIVIL DEFENSE

December 31, 1963

All current directives issued and in effect by the Deerfield, N. H. Civil Defense are published herewith. These directives remain in effect until rescinded or amended.

All authorized members of the Deerfield Civil Defense will be provided with an identification card, an Arm Band and in some cases a Plate for their vehicle. When in possession of the identification properly displayed, their action in an Emergency or during an authorized test has the Legal backing of the Laws of the State of New Hampshire and their request should be treated accordingly. No individual has authority outside the Unit or position to which he has been appointed.

The Primary purpose of the Civil Defense of the Town of Deerfield is the welfare, the protection of life, property and the health and safety of all citizens of Deerfield in a time of EMERGENCY. Civil Defense is responsible for precautionary measures to reduce loss of life and property; to rescue wounded; to suppress fires; re-establish order; to care for refugees from within or without the town; to make emergency repairs to essential public utilities, industries, shelters and to lines of communication; to preserve the public health; and to care for the sick, wounded and disabled.

## GENERAL

## CONELRAD

By agreement the red net, 463-2111, will be used to receive notices of TEST and EMERGENCY ALERTS. The messages that will be received by the net will be as follows:

TEST CIVIL DEFENSE TEST YELLOW ALERT\*\*\*\*\*ACKNOWLEDGE

or

TEST CIVIL DEFENSE TEST RED ALERT \*\*\*\*\*ACKNOWLEDGE

or

TEST CIVIL DEFENSE WHITE ALERT \*\*\*\*\*ACKNOWLEDGE

The person receiving the information should repeat the message to the sender and then say O.K.

IF THE WORD TEST IS OMITTED AND/OR IF THE WORD EMERGENCY IS USED, IT IS THE REAL THING.

The person receiving the message should note the time and then call Sears telephone 463-2293 or Wares 463-2736 and give him the message and the time received.

ALL PLANS BECOME OPERATIONAL WITH AN EMERGENCY YELLOW ALERT.

POLICY

1. General policy in regard to control and/or rationing of critical equipment, fuel, food, clothing and other items can be stated in general terms only. In order to provide the best possible guide lines the policies outlined herein will be adhered to, subject to modification as necessary depending on the extent and nature of the emergency. It is understood that these policies become effective immediately upon declaration of a Civil Defense Emergency by the Governor in case of a threatened or actual enemy attack. In case of a natural disaster of such magnitude as to require controls, they will be in effect only when specifically ordered by the Governor and to the extent then so ordered.

FOOD

1. Local stocks, that is retail grocery and other food stores. Control passes to Local Civil Defense Director, subject to general directions from the State Coordinator for food.

2. Wholesale food stocks will pass to the control of the State Coordinator for food.

3. Producer's stocks, dairy, poultry, eggs, canned goods processors and other items not included in 1 and 2 above will pass to the control of the State Coordinator for food.

NOTE: It is expected that replenishment of stocks from out of state sources will be controlled by the U. S. Department of Agriculture. It is also probable that they will take control of the items mentioned in 2 and 3, once the situation is stabilized.

FUEL

1. Gasoline, kerosene, lubricating oil, heating fuel (solid and liquid) held by retailers will pass to control of the local civil defense director subject to instructions of the State Coordinator for fuel.

2. Wholesale stocks of the above items will pass to the control of the State Coordinator for fuel.

3. It is expected that replenishment will be controlled by the Federal Petroleum Administration or other designated Federal Agency.

TRANSPORTATION

1. All trucks, busses, and critical equipment such as bulldozers, low-beds, etc., will pass initially to the control of the

Town of Deerfield

local civil defense directors. The State Coordinators for Transportation and for Rescue and Engineering will control its employment outside the local areas.

## CLOTHING, BLANKETS BEDDING

1. Local retail stocks of clothing, blankets, bedding, etc., will pass to the control of the local civil defense directors subject to instructions of the State Coordinator for Welfare and Refugee services.

HEADQUARTERSDeerfield Civil Defense

December 31, 1963

General Order No. 1

1. General orders, all previous, are rescinded.

2. Headquarters Deerfield, N. H., Civil Defense is established at the Deerfield Town Hall. Hours of operation will be as required. Upon the declaration of an emergency this Headquarters will be operational 24 hours a day.

3. The Civil Defense Organization of Deerfield, N. H. is established as:

3. Each of the above named individuals is responsible for planning for the operation of his section or unit and is authorized in the event of an emergency officially declared by the proper State officer, to take such action as is necessary to accomplish his or her mission.

4. During Civil Defense Tests all members of the Deerfield Civil Defense organizations are empowered only to take such action as the test directive authorizes when properly identified by the Armbands.

5. In the absence of the Director, the Deputy Director, the Assistant Deputy Director and/or the Assistant Director have all of the powers, authority, responsibility and duties vested in the Director.

Donald Sears,  
Director

Official  
S/L. W. Muller  
L. W. MULLER,  
Ass't Adjutant.

IMPORTANT

BEFORE READING THE OPERATIONAL ORDER BELOW, IT IS IMPORTANT THAT YOU UNDERSTAND ITS MEANING AND USE. THIS ORDER IS PREPARED IN ADVANCE OF ITS ACTUAL USE. IT WILL NOT BE IN EFFECT UNTIL AND UNLESS AN EMERGENCY IS DECLARED BY THE PRESIDENT OF THE UNITED STATES OR THE GOVERNOR OF NEW HAMPSHIRE IN THE EVENT OF AN ENEMY ATTACK OR DECLARATION OF WAR.

This is an initial plan and will give us a starting point which will be changed as required by the situation.

1. An Emergency having been declared, the Deerfield CIVIL DEFENSE assumes control of the Town of Deerfield, New Hampshire, as authorized by Federal and State Laws.

2. All Deerfield Civil Defense General and Specific Orders heretofore published remain in effect until changed.

3. All members of the Deerfield Civil Defense assume their duties and responsibilities and report to their stations.

4. The Deerfield Civil Defense Headquarters is activated in the Town Hall.

A. Unit Headquarters are established as follows:

1. Refugee Center Headquarters at Town Hall
2. Fire Rescue and Search Headquarters at Fire House
3. Police and Warden Headquarters at the Fire House
4. Engineering Headquarters in Fire House
5. Transportation Headquarters in the vicinity of and adjacent to the P. K. Lindsay Company
6. Health Unit Headquarters at the Town Library
7. Legal Office, Finance Office, Education Unit are at the George B. White School
8. Ration Headquarters at the Grange Hall, Deerfield Center
9. Hospital - Nursing sections are at the George B. White School
10. Supply Unit Headquarters are at the Odd Fellows Hall
11. Communication and Warning Unit are at the Town Hall

5. Chiefs of Units assume Command of their Units and take such action as is necessary for the health and safety of the people and property of the citizens of the Town of Deerfield. Reports of actions taken will be submitted to Headquarters daily.

6. Volunteers not presently members of the Civil Defense Unit are urged to report to the headquarters for the purpose of being sworn in an assigned.

7. All stores, gas, gasoline and oil stations are closed. No further sales will be made without the approval in writing of the Ration Officer. Storekeepers will inventory their stocks and report them to the Ration Officer, as expeditiously as possible.

8. All individuals requiring items from stores, etc., will contact the ration officer and justify their need. The ration officer will approve in writing the items and the amounts for purchase, taking into consideration the needs of the individual, the total needs of the citizens of the Town and the amount of stocks on hand.

9. Storekeepers will notify the ration officer of all replenishment merchandise received subsequent to their inventory.

10. The above ration rule will be modified upon the receipt of Federal or State Rationing Systems. Pending Federal or State Rationing, no sales of merchandise is authorized to non residents of Deerfield except by specific approval in writing from this headquarters.
11. Civil Defense Police will establish Road Blocks on all roads entering Deerfield. All unauthorized individuals will be given the choice of turning back at that point or being escorted through the town by convoy to the town of their choice. Individuals or groups of outsiders will not be allowed to run around loose within the town. All properly identified refugees will be escorted to the Refugee Center at the Town Hall.
12. All unoccupied trailers suitable for housing will be moved to the vicinity of the Town Hall by the Transportation Officer for location as directed by the Commanding Officer of the Refugee Center.
13. The Transportation Officer is authorized to requisition any or all vehicles within the limits of the Town.
14. Travel within the Town will be restricted to authorized vehicles only. Authorizations for travel within the town will be given by this headquarters only when properly justified and approved by the transportation officer.
15. The Transportation Officer will organize and schedule
  - a. Courier routes to deliver messages thruout the town
  - b. Delivery routes to assure the transportation of supplies to its residents.
  - c. Bus routes to transport individuals to their work where practical.
  - d. Such other transportation as he may deem necessary.
16. The Deerfield School will be closed as such. If in session, pupils will be transported to their homes and await further instructions. Plans for the education of the pupils will be developed and published as Annex A. to this order.
17. Wardens as appointed are agents of the police Section, of this Headquarters and may be called on to obtain advice or request for assistance within the area which they represent.
18. First Aid Stations are established in the homes of individuals so designated.

19. All outside wells within the Town will be covered with a protective blanket or cover as near air tight as possible to prevent contamination of the water therein by radio active fall-out or bacterial contamination.
20. Purchase or requisitions made by members of the Deerfield Civil Defense will be approved by the Chief of the Unit or Section making them. Purchases if practicable will bear the Approval of the Finance Officer. All purchases or requisitions must be made in three copies; one copy to the vendor, one copy to the finance officer and one copy for the Unit or Section files. All copies should bear the signature of the authorizing officer.
21. Taxpayers of the Town of Deerfield who maintain homes used seasonally within the Town will be allowed to occupy them providing they agree to abide by rules and regulations as established within the town. Permits for travel to these homes after the establishments of the road blocks may be obtained at the road block. Receipted current property tax bill will be used as identification for passage. Report will be made to this headquarters of all such actions by the road block commander daily.
22. The Health Officer will immediately check the possibility of contamination of lakes and streams and make recommendations as to the necessity for establishing prohibitions for their use.
23. The Ground Observation Post will be moved to the top of Saddleback Mountain, the Transportation Officer will provide transportation for the use of this unit to support them. The Supply officer will provide food and other needed items for this purpose. The communications officer will be responsible for establishing communications with the Ground Observer Post.
24. A Mortuary if required will be established by the Rescue Unit at the Grange Hall. Burial if required will be by the Rescue Unit. All graves will be recorded by location, both this and the identity of the Dead will be reported to the Personnel Section at the Refugee Center. The Dead will be buried in the Morrison Cemetery.
25. Headquarters of the Personnel Section will be established at the Refugee Center.
26. The registering of refugees, maintaining reports of all accidents, sickness and deaths is the responsibility of the Personnel Section. A daily report of these cases will be made to the Personnel Section by any other unit involved therein.
27. It is anticipated that the telephone system within the Town will remain in operation. Use of the telephone lines should be limited to emergencies and actual needs.

28. Perishables. Any citizen of Deerfield selling perishables such as milk, butter, eggs, etc., will be assisted to the utmost to dispose of his produce. Initially the amounts available will be reported to the Commanding Officer of the Refugee Center. Citizens of the Town normally being supplied with these items will continue to be supplied the amounts that they have received in the past. No additional supply will be made to these individuals without the approval of the Ration Officer. The Commanding Officer of the Refugee Center will inform the Ration Officer of amounts available. If a requirement exists within the town for amounts in excess of amounts available, the Ration Officer will prescribe an individual allowance per person per day and distribution be made by the Camp Commander of that item thru the Transportation Delivery System. Payment for items used in the Refugee Center will be as prescribed by current regulation. Payment for distribution to individuals will be made by the individual or if arrangements are made previously by the Welfare Section of the Personnel Unit.
29. Non denominational religious services will be established and maintained as directed by the Personnel and Welfare Unit.
30. Time to be used will always be designated as Eastern Standard time or Eastern Daylight time. The unit of measure will be the twenty-four hour system, for example, one o'clock in the afternoon will be 1300, two o'clock as 1400, ten o'clock as 2200, etc.
31. All firearms and ammunition owned by citizens of the Town will be registered with the Chief of Police.
32. The Chief of Police will prescribe regulations for the use of, or requisition all firearms and ammunition as may be required for the situation.
33. Any Chief of Section may temporarily swear in assistants using the prescribed oath. Reports of such swearing in will be made daily and this headquarters will regularize these actions.
34. Maps. Pending the establishment of other maps as official, the Department of Interior, U. S. Geological Survey Maps of New Hampshire Suncook Quadrangle and Mt. Pawtuckaway Quadrangle will be used.
35. Annexes. Annexes will be provided at a later date to supplement this operation order.

CAUTION: The above is not in effect until signed and dated. This order will be signed and dated and in effect immediately upon receipt of notification of an attack on the United States or a Declaration of War.

END OPERATIONAL ORDERS

Suggested Rules and Regulations  
of  
The Rules Committee ----- Deerfield Town Hall

Suggested Rents

Upper Hall and Cloakroom	\$12.00
Lower Hall only	12.00
Lower Hall and Kitchen	17.00
Both Halls and Kitchen	25.00

With one exception to above -

That on Election Days the Church be granted the use of Lower Hall and Kitchen for one-half the regular price.

Suggested Rules

1. There shall be no smoking on stairways or in Upper Hall at any time.
2. Smoking shall not be permitted on the second floor except in selectmen's room, and a sand pail shall be provided for disposal of cigarette butts.
3. There shall be no food or drinks served at any time in Upper Hall or adjoining rooms.
4. The Lower Hall may be used for Meetings, Dinners, Suppers, Reception, etc.
5. Smoking shall be permitted in the Lower Hall, sand pails and ash trays shall be provided as receptacles for cigarette butts, matches etc., butts must be deposited in these pails and not on the floor
6. All Organizations using Kitchen must leave it clean and leave things in their proper places.
7. All Organizations using Lower Hall for suppers or receptions will set up tables, and arrange them to their own requirements.
8. Any Organization or group using utensils, as plates, cups, silverware, etc., shall be responsible for breakage or loss.
9. Any Teenage group using either Hall must be supervised or chaperoned by older person or persons.

10. Dances held in either Hall must be policed.
11. Nothing shall be hung from ceilings or posted on walls in either Hall except on bulletin Boards provided therefore.
12. Furniture shall be moved from one Hall to another only under the supervision of the janitor.
13. The building shall be under the supervision of the janitor during all functions held therein.
14. Rent charges shall be the same to each and every Organization or group.

We, the rules committee, respectfully request that the rules as set forth, be adopted.

We believe that it is next to impossible to establish a rental rate that might be adequate for year round use, as at this time we do not know the operating costs of the heating system or the janitor work required. We therefore recommend that as the Taxpayers of Deerfield, N.H. are making possible the renovation of this building, that the final disposition of said rental charges be recommended by a majority of them.

We further recommend that an article be inserted in the Deerfield Town Warrant to be acted upon at the Annual March Town Meeting, to read as follows:

To see what action the Town wishes to take, in establishing rental fees for use of the Deerfield Town Hall.

Respectfully submitted,

R. W. Bowden  
Ross E. Watts  
William R. Cray

## VOLUNTEER FIRE DEPARTMENT'S REPORT

Whereas the Deerfield Volunteer is not expected to provide a written report as well as the usual financial statement for the Annual Town Report, the Fire Department feels that the townspeople are entitled to know of the present and future plans of the Department.

The officers and men of the department thank sincerely all who have given of their time and energy both at fires and on fire patrols during our recent dry spell, and those who helped with the necessary maintenance to the building, grounds, and equipment. Without this continual but unpaid effort by the few toward the maintenance of the equipment the department's effectiveness at an alarm would be seriously hampered.

As you know, the department has procured a new Fire Truck. This purchase has been carefully planned not only for the present needs of the town, but an attempt was made to provide adequate fire protection for the next fifteen or twenty years. Extra strength has been built into the frame, springs, tires, and running parts to guarantee a truck that will provide the same maximum protection in 1980 as it will today. Where it may appear that the cost of this equipment is excessive for so small a town as Deerfield, it must be pointed out that the department was looking to the future needs more than the present.

Maintenance costs of the department are now as always a problem. Financing of the new truck is presently being accomplished through voluntary contributions, Bingo Games sponsored by the local Legion Post, and contribution by the Deerfield Fair Association. Special thanks are extended to the P. K. Lindsay Company for his interest in the department and his generous contributions to our needs. The appropriation made by the Town of Deerfield was cut in half this past year and greatly hampered our efforts to maintain the department. Very few understand that the department must defray the cost of the "Red" telephones. Our largest expenditures are for telephones, heat, and insurance.

This past year the Selectmen had to use Fire Department funds to pay for forest fires since this was the only appropriation for fire protection raised by the town. For the past several years, the forest fire payments have been minor, but due to the drought this last year they were quite severe. We of the department hope that the town will in the future establish a separate fund for forest fire protection, and leave the Fire Department Fund for payment of routine bills.

William E. Sanborn

President

FOREST FIRE WARDEN'S REPORT

I would like to take this opportunity to thank the Deputy Wardens, Firemen, and Citizens of the Town of Deerfield for the cooperation and alertness in fighting the forest fires we have had this past year. This has been one of the driest years on record and we were very fortunate that our fires were not any larger.

It has been called to my attention that the money paid out on Forest Fires has been deducted from the budget allotted to the Fire Department by the Town. Up until this year we have had a mininum of fires so this loss from the budget has not been felt.

Our Forest Fire Expense this year totaled \$1162.50 of which the State reimbursed us \$560.31. There also were four fires at the Town Dump which cost approximately \$300.00 of which the State gives nothing.

I would recommend that a fund of \$1000.00 be set aside for use of Forest Fires only. Any portion of this used during the year would be raised at the following Town Meeting to bring the sum back to the original amount. By doing this The Deerfield Volunteer Fire Association would be able to allocate their funds and a more efficient Department would be the result.

Permits issued 65

Forest Fires 5

Dump Fires 4

Respectfully submitted,

Kenneth W. Nay

Forest Fire Warden

Town of Deerfield

## VEASEY PARK TRUSTEES' REPORT

This report covers the period January 12, 1963 through December 31, 1963.

PHILBRICK-JAMES LIBRARY REPORT  
For the Year Ending December 31, 1963

Number of Books in Library December 31, 1962	5559
Number of New Books added during 1963	
Adult	88
Children	41
Number of Books loaned during 1963	
Adult	1838
Children	829
Number of Magazines loaned	170
New Cards Issued during 1963	18
Cash on Hand January 1, 1963	\$10.14
Receipts (Fines and Book Sales)	<u>12.34</u>
Total	\$22.48
Miscellaneous Expenses	<u>12.00</u>
Balance on Hand December 31, 1963	\$10.48

Thanks are due to Mrs. P. K. Lindsay, Mrs. Roland Batchelder, Mrs. Arno Bommer, and Mrs. Robert Muller for books given to the library.

\*\*\*\*\*

We have many requests for material on the history of Deerfield. There was a history in the Library at one time, but it has disappeared. If any resident has such a book and would be willing to sell it to the Library, the Trustees would appreciate hearing from them.

Mrs. Ivan S. Nowlan  
Librarian

## STATE OF NEW HAMPSHIRE

## SCHOOL WARRANT

To the Inhabitants of the School district in the town of Deerfield qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 7th day of March 1964, at one o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to include the Custodian and Bus Driver(s) under the benefits of title II of the Federal Social Security Act (Old Age and Survivors Insurance) as authorized by Chapter 101 of the Revised Status Annotated Amended by Chapter 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of \_\_\_\_\_ to defray the Districts' share of the cost thereof.

10. To see what sum the District will vote to raise and appropriate for the equipment and construction of an additional classroom, and whether the District will vote to issue serial notes or bonds of the District for all or any portion of the sum so raised and appropriated, and if so, upon what terms and conditions and whether the authority to fix the time and place of payment of the principal and interest of said notes and bonds, the interest rate and the principal amount of such note or bond and the sale thereof shall be delegated to the School Board.

11. To see if the District will create a cooperative school district planning committee for the purpose of studying area school proposals and to elect the members thereof or determine that they shall be appointed by the moderator.

Given under our hands at said Deerfield this 21st day of February 1964.

## SUPERINTENDENT'S REPORT

We find ourselves with some very awkward enrollments for next year. Our latest enrollment shows: Grade 1-16; Grade 2-27; Grade 3-16; Grade 4-17; Grade 5-17; Grade 6-17; Grade 7-19; Grade 8-18(subject to daily change). Projecting these figures into 1964-65, we find over 40 in grades 3 and 4, and approaching 40 in grades 5 and 6, and 7 and 8. Classes over 40 must be split, and others should be, to improve the learning opportunities for the pupils. Hence, it becomes imperative to have one more classroom and the probable necessity of one or two more in the very near future. One more good classroom may be made at a minimum expense in the basement. That will end the possibilities within the present building. We should be thinking of various solutions to these problems.

We hope we can continue with our present staff. Experience shows that it often costs more for replacements than to keep proven teachers. It is increasingly difficult to find qualified teachers willing to teach combination grades, a difficult problem at best. We do not expect any change for the better in the supply of teachers available for this type of position. In fact, finding qualified teachers for any position here, or elsewhere in this union, is our most difficult task. Anything we can do to improve the status, the training, and the morale of a staff is money well spent.

As travel conditions improve, we may expect an increasing population in this general area. It is safe to say our problems will be greater. We must keep careful watch over this situation. It could change quickly.

Respectfully submitted,

C. Maurice Gray

## ANNUAL REPORT OF SCHOOL BOARD

The Deerfield school board takes pleasure in making this report to the voters of the Deerfield school district. It is hoped that Deerfield taxpayers, parents, pupils, teachers, state officials, staff and members of the joint board of the union will find something of interest in it.

This report covers the operation of the Deerfield school district for the fiscal year 1962-63 and the school year beginning Sept. 5, 1962 and ending June 13, 1963. Included are some information about the present and some thoughts of the board for the future.

The year's work falls naturally into three subjects: the preparation of the budget the annual meeting; the financial reports; important events and actions taken.

## PREPARATION OF THE BUDGET

The members of the school board that was responsible for the preparation of the 1962-63 budget were Mr. Paul B. Mathews, Mr. Wadsworth Winslow, Jr., and Mrs. Ruth B. Watson. These members were completing their third, fifth and seventh years as members of the board. The school board recommended a total budget of \$78,377.34. The advisory budget committee recommended a total budget of \$77,127.34. The members were Mr. Albert H. Burt, Mr. G. Robert Muller, Dr. Carlton S. Spear, Mr. Warren D. Billings, Jr., Mr. John J. Dearborn, Mr. George A. Innes, Col. Roland C. Batchelder, Mr. Alois A. Klein and Mr. Ross Watts.

A forum on "The Educational Needs of Our Community", sponsored by the school board was held at the George B. White School on Monday, Feb. 12, 1963. This forum was designed to elicit support for a plan suggested by Mr. Mathews and Mr. Bruce Smith.

This plan would add one more teacher and place the principal in a supervisory capacity. The plan received support at the meeting from Mr. C. Maurice Gray the union superintendent, Mr. Mathews and Mr. Smith. Mr. Roger Gibbs was chairman of the meeting.

The budget was further considered at an open meeting held by the school board on Saturday, February 24th. Mr. Winslow, acting as chairman of the meeting pointed out that seven of the 24 items in the budget totaled \$6,000 and were fixed by law. Fourteen items totaled \$9,400 were for fairly standardized amounts that offered little or no opportunity for change.

The three remaining items were as follows: transportation \$9,800 (ABC \$10,000; tuition \$24,000; teachers' salaries \$28,500; These three totaled \$62,300 or 80% of the total. There was a lengthy and sometimes heated discussion of the \$28,500 figure.

## THE ANNUAL MEETING

At the annual meeting activity centered around item #6 teachers' salaries. The district voted to reduce this by \$3,900. This meant that the supervisory principal budget plan was not accepted. The total budget voted was \$74,477.34.

## NEW TEACHERS

During the summer the first order of business was for the superintendent to find teachers for grades three and four, five and six, and seven and eight. The fact that these were double grades per room and the number of pupils would not be less than 30 and might be as many as 40 did not make the task an easy one. In spite of this he was able to nominate more than one for each of the positions.

The board elected Mr. John Anderson principal and teacher for grades seven and eight, Mr. Bean teacher for grades five and six, Mrs. Sally Low teacher for grades three and four. During the year Mr. Bean resigned because of illness in both his wife's and his families. Again Mr. Gray came to our rescue and the board elected Mrs. Helen Donaldson. Mrs. Donaldson finished the year but to the great regret of the board did not accept reappointment.

On Sept. 15, Mrs. Watson resigned and later the board appointed Mrs. Madeleine Lindsay to serve until the next annual meeting.

## TRANSPORTATION

During the fall Mr. George Dunn was ill and his two trips with a nine passenger station wagon were made by substitute drivers. When it was no longer possible for the substitutes to fill in for Mr. Dunn and on his doctor's advice, Mr. Dunn resigned. The board immediately advertised for bids for this contract. In order for possible bidders to study the situation and prepare bids, and for the board to investigate other possible ways to provide this service, the board hired a station wagon from a rental service and arranged for a temporary driver. There were about 10 days driving before the Christmas vacation began. Two days before this a state police officer stopped the bus while on a trip with children and ruled it off the road on the grounds that it did not meet legal requirements. As is permitted under emergency situations the children were transported by volunteer drivers using their private automobiles.

The board decided to buy the station wagon from the retiring contract driver and supplying a driver continued to same routes for the remainder of the year.

## COOPERATIVE SCHOOLS

During the past ten or more years members of the school board and volunteers from interested citizens have explored every opportunity to join with other towns to form a cooperative school. None of these were successful. During this year it seemed as though Epping and Raymond might get together to form the nucleus of a really good cooperative. Members of the school board and interested citizens attended many meetings. Among the citizens who attended were Mrs. Margaret Klein, Mr. Mathews and Mr. Roger Gibbs. Again it was a disappointment.

## INTERIM COMMISSION

The 1963 legislature established this commission to study the education system in the state and report to the 1963 legislature. Briefly this report says that many small communities will not be able to provide quality education until they combine with other communities to share their facilities and their pupils. The report recommends that "...one teacher per grade per room is the irreducible minimum for effective elementary instruction." The number of pupils per teacher should be large for economical use of funds but this should not exceed an average of 22.

The report suggests a plan which would provide this minimum standard or better. As a result of this report the 1963 legislature has enacted legislation that provided for Authorized Regional Enrollment Area (AREA) Schools. In order to establish AREA schools the town must vote to create an Area School Planning Committee, at any annual or special meeting. Such a planning board may also study the advisability of forming a Cooperative School District. The planning board may be elected or appointed by the moderator as voted.

"It shall be the duty of the area school planning board to study the advisability of adopting an area school plan within the region and to submit a report or reports of its findings and recommendations to the several school districts."

The master plan suggested by the Interim Commission is said to "...preclude the leaving of orphan towns as has occurred in the past."

## ADULT EDUCATION

During the year Mr. Alois A. Klein conducted an art class at the school. This was an experiment that was watched carefully by the school board with a view to establishing similar classes if it was successful. Now that the district has at its disposal a 60 passenger bus that may be used in connection with school transportation it opens up possibilities of inaugurating a program of adult education with some instruction taking place in the school and some

at such places as the university, exhibition halls, special lectures etc. etc.

#### A LOOK AT THE PRESENT

Teaching has received a boost with the election of Mr. Clifford Perkins to the position of grade five and six teacher. The teaching staff now makes a well balanced team. All have indicated that they will accept reappointment for the 1964-65 school year. The school board is proud of the teaching staff. Not only do we consider them to be superior as professional educators but their maturity as individuals is testified to by the fact that they work together happily and effectively.

#### TRANSPORTATION

Transportation of pupils during the 1963-64 year is believed to be as economically provided as possible. The length of time that the pupils spend in transit has been reduced by more than an hour a day. This decreases the amount of time that the district is responsible for them before and after school hours with a corresponding reduction in the time teachers have to spend on playground duty before and after school.

It has been remarkable that the station wagon owned by the district has continued to run. The use of a small vehicle is essential to the transportation system. We will continue to operate this vehicle as long as it provides safe and economical transportation. It is recommended that the district authorizes the school board to lease a new nine or twelve passenger bus by providing the sum of money requested under transportation.

#### ASSISTANT SUPERINTENDENT

The joint board of the union voted to accept the state board's offer, made possible by the 1963 legislature, to employ an assistant superintendent. Nomination of a person to fill this position will be made by the joint board and it is expected that the position will be filled at the start of the next fiscal year. As is the case with the superintendent the state pays part of this salary and Deerfield's share of the part paid by the union will be about \$400. The assistant superintendent will relieve the superintendent of administrative details which are currently so burdensome that he has little time to spend directing and supervising the work of all teachers.

#### WRITTEN SCHOOL POLICIES

During the current year the Board has been working on plans to create written policies for our school. At this time we feel that we are ready to go ahead and complete our proposals. Preparation of written

statements of policy is an activity which, ideally, should involve all affected by the results. Practically, it should include as many persons and groups as can make a worthwhile contribution to the shaping of the final results, so long as the involvement does not bog down the production process.

#### PRINCIPALS MESSAGE

Though the student body is not gaining in leaps and bounds, it is nevertheless increasing. This current year we have the highest enrollment ever. Another classroom and teacher must be added by next September, this can however, be accomplished for a moderate cost.

Dual classrooms are scholastic stumbling blocks both for the students and teachers. It is imperative that a study group be organized to ascertain which expansion program would be more suitable for our growing needs. (Regional schools, more classrooms, or perhaps a plan to tuition out our seventh and eighths.)

The school program has missed its parent-teachers organization. Please remember, when parent and teacher work together, the student always benefits.

More emphasis could be directed toward more or better cooperation with the administration. Perhaps we should be reminded that this isn't just my school or your school, but it is "our" school.

Respectfully submitted,

Signed            John Anderson
